Spirit of Brownville Riverboat Ride with Lunch

Brownville Village Theatre Comedy "The Odd Couple"

1910 Printing Press Demonstration in Museum

Flatwater Folk Art Museum

The Coach will arrive at 7:45am at Lowman Methodist. We head up North to Nebraska for a wonderful fun day. This small town has so much to offer! First a stop downtown for a fun demonstration of a 1910 letterpress that is still printing, and visit Flatwater Folk Art Museum that features art made by locals. A relaxing riverboat ride on the Missouri River with lunch on board and then, its off to their Village Theatre for a fun comedy "The Odd Couple". Oscar is a slob. Felix is neat. Oscar loves his bachelorhood, and Felix is newly divorced. When the two decide to live together in the same apartment, how will they reconcile their differences? We should be home by 5:30pm.
