**7 DAY PACIFIC NORTHWEST  
& WINE COUNTRY CRUISE**  
**Aboard Holland America Koningsdam**  
**San Diego to Vancouver BC**  
**April 3-10, 2022**

*This cruise is perfect for explorers. Enjoy an overnight in the culinary mecca of San Francisco, the beautiful island of Santa Catalina, enjoy Santa Barbara's shoreline, visit Butchart Gardens in Victoria, B.C.*

**Saturday, April 2nd:** We fly from Kansas City to San Diego direct and spend the night in the hotel. If we can get an early enough flight to get into San Diego on Sunday, we will leave on Sunday.

**Sunday, April 3rd:** We board the beautiful Koningsdam today for our fun cruise north to Vancouver! This is the first time in a long time that we will sail the coast of California, Oregon, Washington up to British Columbia.

**Monday, April 4th: Avalon, CA is on Catalina, one of California's Channel Islands.** The island life off shore about 25 miles off shore about 25 miles. The island's distinctive landscape—a mix of mountains, canyons, beaches and coves—is mostly undeveloped outside the charming port town of Avalon. Here you'll find a beach community with a Mediterranean flair reminiscent of a quieter time, and one that seems far from the traffic and bustle of Los Angeles. Sailboats bob in crystal-clear waters in the crescent-shaped bay, and the main street is lined with boutiques and restaurants in brightly painted bungalows.

**Tuesday, April 5th: Santa Barbara, California,** is undisputedly one of the most popular destinations in a state with some pretty serious competition; in many other states it would surely be the star attraction by far. That's how rich the city is, with its gorgeous buildings erected by the city's early Spanish settlers, as well as later mission revival architecture. And, of course, it occupies a prime spot along the famous oceanfront Highway 101, with a backdrop of the Santa Ynez Mountains and a long stretch of beach with the undeveloped Channel Islands offshore. No wonder many Santa Barbarans can trace their roots here for generations—no one wants to leave.

**Wednesday & Thursday, April 6th & 7th: San Francisco, California** has long been America's shining city by the sea: a beacon on the West Coast that boomed during the gold rush of 1849 and, for much of the 20th century, embodied the sunny California dream. It has always been a city of dreamers, a place that appeals both to the country's counterculture and also, ironically, to those looking to strike it rich. The Summer of Love unfolded here in 1967, while today it is the epicenter of the Internet economy, enjoying yet another period of expansion.

**Friday, April 8th: Day at Sea,** time to enjoy your beautiful floating resort! Enjoy the deck chairs, attend a cooking class, swim in the beautiful pool and hot tub. Just enjoy yourself!

**Saturday, April 9th: Victoria, BC:** A Victoria cruise delivers passengers to a charming British-influenced city plunked in the rugged Pacific Northwest. You can have high tea in an English garden and go whale watching the same day. Take a tour of Butchart Gardens. The influence of the First Nations culture is also strong in Victoria, with totem poles taking a front-and-center position on the Inner Harbour and in Beacon Hill Park and extensive galleries devoted to the First People at the Royal Columbia Museum.

**Sunday, Vancouver, B.C.:** We dock early this morning and are transferred to the airport for our flight home! Lots of memories, sights, experiences to hold onto!
