### Wednesday, October 13: Fairlawn Plaza to Omaha, NE

We head to Omaha, NE today for a fun 2 day tour! We head straight up 75, so if anyone wants to be picked up along the way, no problem! The **Durham Museum** which used to be a Union Station is our stop this afternoon. This Museum offers a broad-range of traveling exhibits covering subjects ranging from history and culture, to science, industry and more through our affiliation with the Smithsonian Institution and strong ties with the Library of Congress, National Archives and the Field Museum. They have a special exhibit called **Toytopia** that has an 8ft tall Etch-a-Sketch! For Dinner we are eating in Old Town at the **Old Spaghetti Works**. This evening it is the **Lion King Broadway Production** at e beautiful **Orpheum Theatre**. Actually this theatre is better than the New York one. The costumes, singing, animal creations are unbelievable, Over-

night: Omaha, NE

### Thursday, October 14: Omaha, NE to Fairlawn Plaza

After Breakfast at our hotel, we head to the amazing **Strategic Air Command and Aerospace Museum**. They have a very special **Leonardo da Vinci exhibit**. Leonardo is celebrated as a painter, sculptor, musician, architect, engineer and anatomist. Most enduring to his legacy are his inventions and designs. **This exhibit's uniqueness lies in the fact that many of the mechanisms are life-sized and fully operational.** Visitors may touch and set them in motion, combining a fascinating hands-on experience with an exploration of the principles he employed to create each machine. **Father Flanagins Boys Town** is our stop for a **provided lunch and tour**. The Village of Boys Town, incorporated as a Nebraska municipality in 1936, has its own police and fire departments, schools, churches, post office and ball fields - along with numerous historic venues. A National Historic Landmark since 1985, the Village of Boys Town is now the only **National Historic Landmark District in Nebraska**. At any given time, about 400 boys and girls live in the Village, receiving care and guidance for a wide range of behavioral, emotional and academic issues. The youth live in a regular, single-family home - typically eight kids to a residence - with a married Family-Teaching couple who cares for and nurtures them. On the way home we stop at the Missouri River Basin Lewis & Clark Museum. Home by 5:30PM
