Fri., Feb. 3rd: We fly from Kansas City to Ft. Lauderdale to stay in a hotel for the night before boarding the Rotterdam on Saturday.

Sat., Feb. 4th: Board Holland America Rotterdam. We board our beautiful ship later this morning! Our adventure begins!:

Sun., Feb. 5th & 6th: Two days at sea! You have a couple of days to set back and enjoy this beautiful ship. Read a book, sign up for some games, attend some programs, enjoy the music, or just set out on one of the decks and enjoy the sun! You will be about 40 degrees warmer than in Kansas!

Mon., Feb. 6th:: We take the McKinley Explorer Train from Denali to Anchorage. A wonderful train ride in Dome cars that allow full unobstructed views! Be on the lookout for moose, swans, beavers, and bears. Overnight in Anchorage with time to see the sights.

Tues., Feb. 7th: Phillipsburg, Sint Maarten: We arrive in the Leeward island, Dutch side, which has been famously bisected into French and Dutch territories since 1648, and is referred to both as Saint Martin and Sint Maarten. In their respective capitals—Marigot and Philipsburg—there are ancient stone forts and candy-colored buildings lining winding streets.

Wed., Feb. 8th: Castries, Saint Lucia: Stunning mountain peaks, lush rainforest, and perfectly turquoise water. Discover this Caribbean gem that offers a unique opportunity to immerse yourself in the raw power of Mother Nature at her finest. It features the only drive-in volcano in the world, Late this afternoon we do some scenic cruising of Soufriere Bay.

Thurs., Feb. 9th: Bridgetown, Barbados: Centered around a waterway called the Careenage and its handsome Chamberlain Bridge, the historic center of Bridgetown, the country's capital, was granted UNESCO World Heritage status in 2011 for its wealth of British colonial architecture dating from the 17th, 18th and 19th centuries.

Fri., Feb. 10th: Fort-De-France, Martinique: Some three centuries after Columbus landed here, the French-speaking island of Martinique had established strong economic and cultural ties to New Orleans, thanks to its sugar and rum production. That came to an abrupt halt when Mount Pelée erupted in 1902, destroying the island's rich trading port of St. Pierre. Tourism led to development in other areas. **We will cruise near Mount Pelee this afternoon.**

Sat., Feb. 11th: Basseterre, St. Kitts And Nevis: St. Kitts and Nevis are a pair of islands that form a single Eastern Caribbean nation. Ripe with historical sites, the larger St. Kitts passed hands among the Spanish, French and English, with the latter establishing the strongest foothold. The architecture and layout of its capital city, Basseterre, are all typically British.

Sun., Feb. 12th: St. Thomas: Fantastic shopping in St. Thomas! From electronics to jewelry, it is the place to buy!!

Mon., Feb. 13th: Day At Sea: Relax, think about all the beautiful sights we have seen! It has been remarkable!
